

2017 GCM Yearbook Payment Plan Installment Contract

I am interested in purchasing a 2017 GCM Yearbook and would like to be placed on the payment plan. It is my intention to pay this off in full by April 15, 2017.

The initial payment is \$40.00 and is due on or before December 16, 2016 to participate in the payment plan. The full price of the yearbook will depend on when I bring my deposit to Mrs. Hopper. Books purchased between October 1 and November 18, will be \$70 total. Books purchased between November 19 and December 16, will be \$75 total.

Additional payments are due by April 15, 2016 and the balance should be paid in full at that time.

Payment Dates for Deposit from October 1 – November 18	Amount Due
October 1 – November 18	\$40.00
Paid in full by April 15	\$70.00

Payment Dates for Deposit from November 19 – December 16	Amount Due
November 19 – December 16	\$40.00
Paid in full by April 15	\$75.00

I understand that if I DO NOT complete the payments in full by April 15, 2017, I will NOT receive a 2017 GCM Yearbook, and the money I've paid will NOT be refunded as the book will have already been ordered.
