honor your 2017 senior.

Purchasing your son or daughter a Senior Ad in the 2017 Pinnacle Yearbook is a great way to preserve your child's high school memories. You can use your space to congratulate them on their academic accomplishments, highlight their high school sports career or simply honor your graduate in a way that's unique to your family. Wish them luck, pass on words of wisdom, quote Bible verses or embarrass them with baby pictures — it's all up to you.

ordering is simple.

1. Read all instructions for ad submission.
2. Decide which ad size and which design you want.
3. Collect the correct number of photos and fill out the Senior Ad Order Form, composing the message to fit the ad space.
4. Send in your completed order form with photos and your payment.
5. Online ordering is available at www.balfour.com.
